

IMPORTANT NOTICE

Lift PORT Terminals Replacement

The Management have informed you back in June 2025 that we will be replacing all the lift calling PORTs.

We are pleased to confirm that the new PORTs are in High Street Centre and replacement works are underway.

Please note the schedule and lift availability as followed:

22nd December to 26th December 2025

Step 1- Lifts B, D and F will be shut down at night.

Please use available terminals and follow the instructions on the Terminal.

Step 2- Lift A, C and E will be shutdown at night.

Please use available terminals and follow the instructions on the Terminal.

27th December to 28th December 2025

Switching Over in progress

Step 1- Lifts B, D and F will be shut down.

Please use available terminals and follow the instructions on the Terminal.

Step 2- Lift A, C and E will be shutdown.

Please use new terminals and follow the instructions on the Terminal.

PORT terminals not operational will be covered with signages.

Use terminals that are open and relevant lifts will respond.

For avoidance of doubt:

- 1) All PORT terminals not in use will be covered with signages; use only open terminals;
- 2) the Fire Lift (Cargo Lift) will be in operation to take you to your destinations.

We appeal for your kind understanding and forbearance.

Thank you.

The Management
